

O God, Deliver Me

Song 2 O God, Deliver Me

Psalm 70 – Urgent plea for swift deliverance from enemies, shame on persecutors, joy for seekers. Echoes Psalm 40:13–17 (similar plea) and foreshadows Christ's suffering and vindication.

O God, deliver me
O Lord, come help me

Those who seek my life will be ashamed and confounded
Those who wish me harm will turn back in disgrace

O God, deliver me
O Lord, come help me

They say “Aha, Aha!” in scorn
Let them retreat in shame and be gone

O God, deliver me
O Lord, come help me

Let all who seek You rejoice and be glad in You
Let those who love Your salvation say ever “God is great!”

O God, deliver me
O Lord, come help me

But I am poor and needy
O God, make haste to me

O God, deliver me
O Lord, come help me

You are my help and my deliverer
O Lord, do not delay

O God, deliver me
O Lord, come help me
